*Sean gratos los dichos de mi boca y la meditación de mi corazón
delante de ti, Oh Jehová, roca mía, y redentor mío.*

Salmo 19:14

Venezuela

AGOSTO 2026

Cuán importante es compartir con nuestro Dios en la intimidad, en medio de la cual podemos encontrarnos con Él para recibir dirección, fortaleza y por supuesto transformación. El versículo 14 del salmo 19 ha sido una de las palabras que más he internalizado en esta temporada con mis niños de la clase de aprendices de Awana/Descúbrelo. Juntos, lo memorizamos y hemos sido desafiados para ser intencionales en que nuestras palabras y acciones sean agradables delante de Dios, y es que de eso se trata el discipulado, ser discípulos que hacen discípulos y todos juntos ser más como nuestro Señor Jesucristo.

Cerramos el año ministerial celebrando que más de 1.000 iglesias se sumaron al movimiento del discipulado en Venezuela. El año culminó con el Entrenamiento de Entrenadores y Entrenadores Maestros, donde formamos a más de 50 líderes de diversas redes del país y contamos con la participación del Director Ejecutivo de Relaciones, Nacho Mariño y el Vicepresidente Global de Awana Latinoamérica Miguel Pérez, junto a su esposa Margarita.

En medio de esta formación fuimos desafiados por el terremoto del 24 de junio; sin embargo, vimos la fidelidad de Dios al guardarnos a nosotros y a nuestras familias, permitiéndonos finalizar con éxito. Al regresar a casa, constatamos la dura realidad de las numerosas víctimas y afectados, un suceso que nos recuerda que sólo Dios gobierna cielo y tierra como Rey de reyes y Señor de señores.

En medio de esta situación, mostramos el amor de Dios aportando a la recuperación emocional de los afectados. Junto al equipo pastoral, maestros locales y cuatro Entrenadores Maestros, realizamos una jornada interinstitucional para capacitar a líderes en restauración emocional y espiritual, brindar contención en los refugios —donde continúa el discipulado— y entregar ayuda a familias vulnerables. Además, compartimos a nivel nacional herramientas para apoyar la salud emocional de los niños tras el terremoto.

De cara al nuevo año de ministerio, estamos fortaleciendo las conexiones con los socios brindando apoyo para la expansión del discipulado, de igual manera nos proyectamos al alcance de nuevas iglesias en los Estados Cojedes, Mérida y Distrito Capital, ahora más que nunca el discipulado no puede detenerse. Estoy agradecida con ustedes, quienes toman el tiempo para respaldar el ministerio en Venezuela. Eso es reconfortante para nosotros.

En lo personal tuvimos la satisfacción de ver a nuestra hija menor Amisadai graduarse de educación primaria. Por otra parte Sofía, nuestra hija mayor, ingresó a la universidad. Ha sido una etapa de nuevas experiencias y expectativas. También estamos agradecidos con Dios porque nuestro hijo Samuel pudo publicar su primer libro, lo cual ha sido uno de los detalles de Dios para él y nosotros como sus padres.

MOTIVOS DE ORACIÓN

- Por la salud de toda mi familia, especialmente por la pronta recuperación de mi suegro, mi cuñada y mi mamá.
- Por la recuperación de nuestro país, Venezuela. En todas las áreas: por el refugio, protección y cuidado de los niños que quedaron huérfanos tras el terremoto.
- Por el avance de los proyectos de nuestras redes, para que Dios abra nuevas puertas que nos permitan seguir alcanzando a más niños y adolescentes para Cristo.

AUGUST 2026

May the words of my mouth and the meditation of my heart be pleasing in your sight, O Lord, my Rock and my Redeemer.

Psalms 19:14

Spending time alone with God is so important. It's in those quiet moments with Him that we find His direction, receive strength, and allow Him to transform us. Psalm 19:14 has become especially meaningful to me during this season with the kids in my Awana "Descúbrela" discipleship class. We memorized the verse together, and it has challenged all of us to be intentional about making sure our words and actions are pleasing to God. This is what discipleship is all about—being disciples who make disciples and becoming more like our Lord Jesus Christ together.

We ended our ministry year with a special celebration: more than 1,000 churches across Venezuela have now joined the discipleship movement! We also closed the year with our Training for Trainers and Master Trainers, where we equipped more than 50 leaders from ministry networks across the country. We were grateful to be joined by Awana Latin America leadership: Nacho Mariño, Executive Director of Relationships, and Miguel Perez, Global Vice President, along with his wife Margarita.

Our training took place in the midst of a very difficult time for our country. The earthquake on June 24th deeply affected many communities. We were grateful to see God's faithfulness as He protected us and our families and allowed us to complete the training safely. When we returned home, however, we were confronted with the heartbreaking reality of the many people who had lost their lives or been affected by the earthquake. It was a sobering reminder that God alone is sovereign over heaven and earth as the King of kings and Lord of lords.

In the midst of this tragedy, we had the opportunity to show God's love in practical ways. Along with our pastoral team, local teachers, and four Master Trainers, we held an inter-ministry training day to equip leaders to help with emotional and spiritual restoration. We also provided support and encouragement in shelters, where discipleship efforts are continuing, and delivered assistance to vulnerable families. In addition, we shared resources with leaders throughout the country to help them care for children's emotional well-being following the earthquake.

As we begin a new ministry year, we are focusing on strengthening our relationships with our ministry partners and helping them expand their discipleship efforts. We are also looking forward to connecting with new churches in Cojedes, Merida, and the Capital District. Now more than ever, we cannot allow discipleship to stop. I am so thankful for each of you who takes the time to pray for and support the ministry here in Venezuela. Knowing that we have your partnership and encouragement means so much to us.

On the home front, we have also had several reasons to celebrate! Amisadai, our youngest daughter, graduated from elementary school, and Sofia, our oldest daughter, started university. It has been a season filled with new experiences and lots of anticipation for what lies ahead. We are also very thankful that our son Samuel was able to publish his first book. Seeing this dream become a reality has been such a special gift from God, not only for Samuel, but for us as his parents as well.

PRAYER REQUESTS

- Please pray for our family's health, especially for my father-in-law, sister-in-law, and my mother as they recover from different health challenges.
- Please pray for Venezuela and its recovery in every area. Pray especially for the children who were orphaned by the earthquake—that God would provide them with safe places to live, loving people to care for them, and the protection they need.
- Please pray for the continued growth of our ministry networks and their projects. Pray that God would open new doors for us to reach even more children and youth with the hope of Jesus.
