SEPTIEMBRE 2026

Y les mandó que todos se recostaran por grupos sobre la hierba verde. Y se recostaron por grupos de cien y de cincuenta. Entonces Él tomó los cinco panes y los dos peces, y levantando los ojos al cielo, los bendijo; partió los panes y los iba dando a los discípulos para que se los sirvieran...

Marcos 6:39-41

Reciban un afectuoso saludo junto con mis oraciones para que el Señor les bendiga y les guarde en todo momento, que Su luz guíe siempre sus caminos y que Su fidelidad sea su escudo diario.

El pasaje inicial nos muestra un contraste profundo entre dos actitudes frente a la necesidad del prójimo: la multitud que se recuesta para recibir y los discípulos que se cansan para servir. Organizar a cinco mil hombres (sin contar mujeres y niños), repartir la comida fila por fila, y luego recoger las sobras implicó un trabajo físico agotador. Jesús bendijo el pan, pero fueron los discípulos quienes lo repartieron. Ellos no crearon el milagro, pero fueron los canales del milagro. Vieron la multiplicación suceder literalmente mientras daban. Es hermoso recibir las bendiciones de Jesús. Sin embargo, Él no nos llamó a formar multitudes de consumidores, sino grupos de discípulos. Doy gracias a Dios por haberme llamado a seguirle como discípulo, con la tarea especial de formar a discípulos de alto impacto, dispuestos a invertir sus vidas en el evangelismo y discipulado de las próximas generaciones.

El crecimiento personal y ministerial de Marisol ha sido notable, convirtiéndose en un pilar fundamental no solo para mí, sino también para los coordinadores y entrenadores del país, quienes le han tomado un profundo afecto. En el ámbito familiar, Naomi cursa ya su séptimo semestre y ha llegado la hora de que sea mi dentista; como ha pasado bastante tiempo desde mi última consulta, tendrá una excelente oportunidad para practicar mucho en mí. Arumi, por otro lado, ha comenzado su segundo año con una exigente carga de tareas y prácticas, superando el reto con gran éxito. Por último, Caleb está a punto de concluir la secundaria y ha mostrado un gran entusiasmo por la programación y el emprendimiento, áreas en las que ya toma sus primeros cursos. Finalmente, quiero compartir con ustedes la alegría de poder verlos esforzándose por servir diligentemente al Señor cada semana en nuestra iglesia local. ¡Dios es bueno!

El Señor es bueno y nos ha permitido iniciar un proyecto de discipulado con las Iglesias de Dios en la República Mexicana, lo que ha dado un gran impulso a nuestro ministerio. Gracias a esta alianza, hoy en México, 50,686 niños y adolescentes están siendo alcanzados y discipulados por medio de 10,670 líderes en las 1,561 iglesias a las que servimos. Seguimos orando y buscando nuevas oportunidades para sumar a más organizaciones, congregaciones y hermanos a este movimiento. Nuestro anhelo es que cada niño, niña y adolescente en cada rincón de México llegue a conocer, amar y servir a nuestro Señor Jesucristo.

MOTIVOS DE ORACIÓN

PRAYER LETTER

» Omar Muñoz

Then Jesus directed them to have all the people sit down in groups on the green grass. So they sat down in groups of hundreds and fifties. Taking the five loaves and the two fish and looking up to heaven, he gave thanks and broke the loaves. Then he gave them to his disciples to distribute to the people. He also divided the two fish among them all.

Mark 6:39-41

Warm greetings to each of you! I pray that the Lord will bless you and keep you, that His light will guide you wherever you go, and that His faithfulness will be your daily source of strength and protection.

Mark 6:39-41 gives us a beautiful picture of two very different responses to the needs of others. The crowd sat down to receive food, while the disciples served them for hours. Organizing five thousand men (not counting women and children), distributing the food to everyone, and then gathering the leftovers must have been exhausting work. Jesus performed the miracle, but the disciples were the ones who carried the food to the people. They didn't perform the miracle, but they were the ones through whom the miracle reached others. As they served, they had the incredible privilege of watching Jesus multiply what they had in their hands. It's wonderful to receive Jesus' blessings. However, He has called us to something more than gathering crowds of consumers. He has called us to raise up disciples. I'm deeply grateful that God has called me to follow Him as a disciple and has given me the special responsibility of helping form disciples who will make a lasting impact—people who are willing to invest their lives in sharing the Gospel and discipling the next generation.

I'm also very grateful for what God is doing in our family. Marisol's growth, both personally and in ministry, has been remarkable. She has become an important source of support not only for me, but also for coordinators and trainers throughout the country, who have grown to love and appreciate her deeply. Naomi is now in her seventh semester of dental school, and the time has come for her to become my dentist! Since it has been quite a while since my last dental appointment, she will have an excellent opportunity to practice on me.

Arumi has started her second year of college with a demanding schedule of assignments and hands-on training, and she has risen to the challenge beautifully. Caleb is about to finish middle school and has developed a real passion for programming and entrepreneurship. He has already begun taking his first courses in these areas. Most of all, it brings me great joy to see all of them faithfully serving the Lord each week in our local church. What a blessing to watch our children grow in their faith and discover ways to serve Him. God is so good!

The Lord has also been opening exciting doors for ministry. We recently began a discipleship project with the Churches of God throughout Mexico, and this partnership has given our ministry tremendous momentum. Through this partnership, 50,686 children and youth are now being reached and disciplined by 10,670 leaders in the 1,561 churches we serve across Mexico. We continue praying and looking for opportunities to welcome more organizations, churches, and believers into this movement. Our greatest desire is to see every child and teen in every corner of Mexico have the opportunity to know, love, and serve our Lord Jesus Christ.

PRAYER REQUESTS

- Marisol, Naomi, and Arumi's health.
- Naomi, Arumi, and Caleb's spiritual growth, that they would continue growing in their relationship with the Lord.
- The kids who are being reached and disciplined each week through our ministry partners. Pray that they will continue to grow in the grace and knowledge of our Lord Jesus Christ.
- The leaders and churches carrying out Awana's discipleship NETWORKS in different settings throughout Mexico. Pray that the Lord would strengthen them physically, emotionally, and spiritually as they serve others.
